Re: Messers Milbrooke Construction

The above company has been employed by Swindon Commercial Services Highways Department since its formation.

They have successfully carried out a number of contracts to a high degree of quality, within time span and budget.

Their working relationship with Swindon Commercial Services is excellent together with their integrity and honesty in their dealings with the Highways Department.

A handwritten signature in black ink, appearing to read 'R. Hedges', written over a horizontal line.

Richard J Hedges
Principal Contracts Manager
Swindon Commercial Services
Highways Department
